Juris Dakers Obituary

Juris George Dakers, M.D., 89, a longtime Elyria resident, died November 2, 2024. He was born April 16, 1935, in Riga, Latvia and emigrated in 1950 after being displaced from his home during the Soviet invasion of the Baltic states. He became a naturalized citizen in 1957. He graduated from Shaw High School, Cleveland in 1953 and from Case Western Reserve University in 1957. He then graduated from Case Western Reserve School of Medicine in 1962 and completed his internship at St. Lukes Hospital, Cleveland and his residency at University Hospital, Cleveland. In 1969, he began his practice of neurosurgery in Lorain County with Neurosurgical Services, Inc, retiring in 2005 after bringing healing to many in his community. His hospital affiliations included EMH Regional Healthcare Center and Community Health Partners with a stint as Chief of Staff. He was a longtime member of St. Jude Catholic Church in Elyria. He moved to Melbourne Beach, FL after retiring and enjoyed the ocean views with his beloved wife, Lori, and tennis matches with neighbors. He looked forward to fishing trips to Canada with his sons and traveling to synchronized skating competitions with his daughter followed by countless games, performances and recitals by his beautiful and talented grandchildren. George also enjoyed reading mystery novels; oil painting and poker night with his colleagues. His sense of humor was the epitome of “Dad” jokes and even his name called over the hospital intercom...” Dr. Dakers”...made people smile.

George is survived by sons, Russell G. (Vicki) Dakers of Elyria, OH Richard P. (Tracie) Dakers of Perry, OH and Gregory J. Dakers of Canal Fulton, OH; daughter, Ann E. (Scott) Kasch of Melbourne, FL; grandchildren, Brittany (Adam) Shaw, Patrick (Chelsea) Dakers, Olivia (Stephen) Liotta, Madeleine (Micah) Nelson, Maia Dakers, Lauren Dakers, Amanda (Kyle) Coville, Benjamin Dakers and Marissa Kasch; great-grandchildren, Norah Davis, Carter Shaw, Charlotte

Dr. Dakters performed back surgery on my husband in 1984. The surgery was extended from 2.5 hours to 3.5 hours. He also performed brain surgery on a friend of the family. The friend was in construction and fell 3 stories. Only a wonderful surgeon could perform this difficult procedure. To the family of Dr. Dakters, your father was a wonderful doctor and father. You are in our thoughts and prayers at this time.
