I took care of Edna for 3 1/2 years. She always had a smile for me in the morning! I would tell her to have a good night and would see her in the morning she would give me a little wave and tell me to have a good night also. I am missing those moments but will always have the memory ??, may she rest in peace ??

My deepest sympathy to the family. Edna was a great friend and a lovely person. She lived across the street from me on Delaware and helped me several times with my mother. I really missed her when she moved away and we lost touch. God bless the family.

Although I never had the pleasure of meeting Edna in person, I know her daughter and just the way Diane loved and respected her mother, I know the love they shared was deep and sincere. Diane lives on the same street my own mother and an aunt lived, so they knew Diane, as well. Diane spoke of her mother often and told me a lot about her and how much she enjoyed living at Emerald Village. Edna enjoyed life! I felt like I knew her and I loved her from afar. May she rest in peace!
