Many happy memories of childhood time with John and his family. He was like a brother to me. Once I wanted to go to his house to play. (Down a hill and up a hill) mom said no . She was busy and off I went. Soon here she came fire in her eyes, I started running home and only John was sad others laughing. That is how I have always remembered John a person who was kind and loving. He looks so much like his dad and acted like him also. Blessings to John's family and friends.
