Benny A. Greer, 81, of Elyria, died November 22, 2023 after a lengthy illness. He was born April 26, 1942 in Elyria and was a 1960 graduate of Elyria High School. At the age of 10, he was a paperboy for the Chronicle Telegram with 72 customers. In the early 1950's he was a volunteer airplane spotter for The Ground Observer Corps collecting and recording air traffic information which he then reported. After the 1959 flood in Cascade Park, he was hired as a park ranger which included taking care of the bears. Upon graduating from high school, he was employed by the Chronicle Telegram as an apprentice printer, where he met the love of his life, Kathy and were married November 30, 1963. Benny was an active member of the ITU Local 53 and served on the executive committee, union label committee and was a delegate to the Cleveland AFL/CIO. He was active on the grape boycott when the UFW was organizing in California. He later became a realtor, retiring from Howard Hanna after 40 years and was chairman of Professional Standards of Lorain County Board of Realtors and Grievance Committee. During this time, he also worked as a civil appraiser for the Lorain County Sheriff. Benny was an active member of Washington Avenue Christian Church, serving as a deacon and social action chairman. He and his wife enjoyed vacationing in Cape Cod, however, their best remembered vacations were traveling to Niagara Falls with their young grandson, Keith.

I got to know Benny during my career as a mortgage loan officer.We began a great friendship that has lasted over 45 years. I admired Benny's professionalism , dedication to his business as a realtor and the love for his family. We would have breakfast regularly over the years to talk about business, our families and life in general.I will miss our frequent phone calls, Benny's sense of humor and his perspective on life.But most of all i will miss our friendship.

My late husband and I worked with Benny at the Elyria Realty One office years ago. He was always a professional and I never saw him without a shirt and tie. My youngest son, upon meeting him, asked if he was the President because he looked so official. Benny loved that. He was a fine man and heâ€™ll be missed. May all your wonderful memories comfort you.

Benny and I attended grade school together at Jefferson School for 8 years. I moved for high school and didn't bump into Benny until I decided to buy a house. He found the house for me and I still live in it 30+ years later. I started to go to church at Washington Avenue Christian and bumped into Benny again. Lots of memories. My condolences to the family.
