These trees are to honor my time in Dian's company benefiting from her kind & loving example: one for our time as day camp counselors at the YWCA for young girls one summer, another for our time in high school & our involvement with Y-teens, & the third for our time at Ohio University training to teach & growing to serve as young adults. Dian was a delight to know & an inspiration to emulate! Praying for your healing as you adjust to this change in your family. Marian (Cheesman) Lockwood
