Molly, Shiela and Dugan family It is with heavy hearts that we write. Bill was not only our friend, he was an extension of our family, a Brother. He was loving, kind, a real gentlemen with a huge heart and oh so much fun. We are thankful for the many memories, our extended trips to Florida, Good times around the campfire, Tarpon Springs, cruising the Caribbean, locked wheels in Key West and the many trips to Amish country. Roadside lunches made of cheese, fresh baked bread and fruit pies and visiting the Yoders. Fred says fried bologna sandwiches will never be the same without his buddy. You will be missed. Rest in peace dear Friend. Until we meet again. Barb and Fred.

Bill was always the life of a party didn't matter if it was 1 a year or every 5 years. he always knew how to make you laugh, he will be missed by many people. The one thing i will never forget is, It didn't matter the occasion he was always in a pair of shorts, in all my life I can remember Bill wearing Pants once and Molly had to convince him that it wasn't appropriate to wear shorts ,he finally caved and wore the pants but he made sure he changed as soon as he could.. there are so many great memories of this great and amazing man. May bill rest easy.

My dear friend - So many memories with you; we had great times and great gatherings around the fire pit for sure. I'll never forget when we went to get some wood for a fire pit along a side road, and then when leaving discovered we were on camera - Never a dull moment. Miss you my buddy!
