Ed was a best Friend to my Brother's, Pat and Darrell Procida as well as a Family Friend to the whole Procida Family. So many memories of him our lives. We all loved him dearly. I'm going to miss our texts and talks as I continued to remain in his life even after my Brother's passed. He was a good man who would do anything for anyone when he was able. Have a great reunion with your Family and Friends that have gone before you. Not good bye but see ya on the other side
