We all loved working with Don. We were so lucky to have him. His work was impeccable, and his sheet metal shop was always in order when he worked. He had a place for everything and everything in its place. We were sad when he decided to retire, but we knew he deserved to spend time with his family. Please accept our sympathy on the loss of your father. From all of us at Ray Gidich Heating & A/C.

R. I. P. Uncle Don. I will miss you. I'm so glad we had the visits that we had. Remembering things from the past about our families. What things you and my Dad got into and how Grandma used to get after you two. Tell Aunt Roberta and Tom I love them. I love you
