Donna was my godmother, my mother's best friend, and one of the most loving, most fun people I have ever known. She was also a devout, faithful Christian and was one of the first people to set me on my journey as a Christian. She was a role model as a mother and a friend. I know Donna is reunited in Heaven with all the loved ones that went before her. I will be praying for Kelly and Beth and all of the family. Love to all.... Tracy and Renny Braga
