I always enjoyed seeing Pattie working in the post office with her big smile. She came in our office and we would have great talks. I remember her husband Robert well. Reading about her I saw the name Wendy Simmons who was also as great as it gets. I loved seeing her at the hospital where she worked I hope everyone I just mentioned rests in peace. I am thinking of the entire Scott family at this time

It has been a long time since I've seen Pattie. Many years ago she joyfully helped plan a baby shower for my son's first child. I will never forget her kindness. I'm hoping the family can find peace and comfort in spite of this great loss.

Pattie will be sorely missed by our church and especially by our choir. She was so much fun at practice. She and I joked often. Her heart and voice will always be treasured by the entire church family. Much love to her family.

Miss Pattie was such a wonderful lady. I was so blessed the day I met her over a year ago. I delivered her medications, and loved visiting with her. I also saw her at the hospital prior to her leaving to be with her husband. She smiled at me through the doors, and I smiled back. I was very sad to hear she had left this world for the great one in the sky. To her family, I hope you find peace, and please take good care of her baby.
