Kathy, Kelly and Tracy, I am so deeply saddened to hear about Glenns passing. I am very fortunate to have been your Pinewood neighbor for many years and to have known what a kind and compassionate person Glenn was. I couldnt have asked for better neighbors or friends. There are so many good things to be said about Glenn including his love for animals .especially his rescues it was heartwarming. He always made sure that his birds and squirrels were fed and would bring biscuits to the fence for my Golden Retrievers (they loved him). It wasnt uncommon to look out and see him snow-blowing my driveway or someone elses. Because he always helped everyone and put others first Its just who he was. The many conversations about our yards and landscaping. His was beautiful! But most importantly he was a devoted Husband and Father who adored his family. My hearts go out to you all during this extremely difficult time. I hope you will find some comfort in knowing the positive impact Glenn made on everyone who knew him. He was a special person and will be missed. Thoughts are with you Kathy, Kelly and Tracy. If you need anything please know I am here. Tracy

We LOVED Glenn, I have known him since I was about 6 years old. He was our neighbor and I grew up with his girls. Ive returned to the neighborhood about 15 years ago and bought a house around the corner from the Burnetts. He was always walking. Id see him daily out and about, even on my way to work as Im driving a mile or two away, Id beep and wave at Mr.Burnett. He would always say to me Stay on the path Michelle as I was always on a weight loss endeavor. His love for his family, animals, and the APL showed. When my dad had surgery, he would go over to his house and walk his dog and brought her a bag of treats for Christmas! Just a super caring man and a wonderful person. He never even held it against me when my boyfriend at the time (years ago) wiped out on his motorcycle and ruined part of his front yard. And we all know how Mr.Burnett loved his yard. Im sure gonna miss his smiling face as I drive by his house daily. Our deepest condolences to the family.

Glenn and Kathy have been friends with us since the beginning of high school at EHS. We so enjoyed when they would come to Florida to visit their family and we would have dinner together and cheer for Ohio State at our local pizza bar. Glenn you were a class act, a devoted husband, showed so much love for his daughters and son in law. We send our heartfelt condolences to Kathy and family.
