The Raven Family: I was acquainted with Barb and Arnold through my Dad, Bob Allen. My Dad had known them forever and he and Arnold were saved together and started looking for a church to join. They were great friends and worked together for many many years. When I'd stop over to visit my Dad he would get this grin on his face and I knew he had been over to visit Barb and she'd given him a few jars of Pickled Beets. They were the BEST PICKLED BEETS EVER!!! My Dad would tell me not to touch them because he knew how many jars he had and I'd have to beg him to share a jar with me! He absolutely loved them as much as he loved your Mom & Dad. My heart goes out to you and your family during this difficult time. They are together forever in the Lords hands. God Bless
