We grew up together and went to movies and ride bike. We Practically did everything together when we were young. We worked at the same place (Moen). You will be missed my brother. God Bless You!

Was shocked to learn of his passing. Butch and I were best of friends through high school. His father and mother were both wonderful people. I will dearly miss you Butch .

I am deeply sorry to learn of Butchs passing. He was a good high school friend, a coworker of my Dads at Moen and a few years ago we reconnected through Facebook for an evening of drinks, dinner at reminiscing high school days and 60 years of life in general. So glad we had that time. RIP to a good man Butch. Linda Albert
