I will never forget the family reunions at Uncle Rog's house. I wish I could have spent more time with him, I always enjoyed being around him the few times I got to. Life is messy and busy and takes us all crazy directions. I love you Uncle, you will be missed by many. Condolences to the family, I love you all.

Greg says he remembers Rogers awesome 1966 black Chevy Impala with a 327 small block. They spent 2 good years together in high school welding class and cruising around Elyria. Marilyn met Roger thru Greg and I remember coming into town to attend their wedding. We recently just found out that Denise died in October. They will both be greatly missed. Denise used to pass down her daughter's clothes to our 3. We had lots of play dates over the years when we lived in Ohio. Our deepest sympathy goes out to both your families.
