To Joyces family: I am so sorry to hear about your loss. I have not seen Joyce for many years, but her sweet and sincere personality I will always remember. I have many fond memories from my childhood of visiting with the family in Pine Grove when we were neighbors. One of those days your Aunt Beatrice put her preschool children on a sled and pulled it through the ice and snow to your house because the heat went off in our house. Your mother cared for us until we had heat again. We played hard that day! What fun! Take care. Blessings, Cousin Margaret
