I just wanted to say that I am so sorry for your loss. Teresa (pronounced in Polish) was very close to my mom, Sophia Maziarz, when Teresa worked in Abbewood. They had a very special bond. Teresa called my mom, Babci, which is Polish for grandma. Teresa would check on her several times a day and they would talk and laugh. I, too, got to know Teresa. My mom missed her very much when she was asked to leave Abbewood. We did meet up for lunch once after her leaving. Teresa was a very special person. My mom passed away at the end of September, so they are now together again, talking and laughing. Thank you for sharing her with our family for a while.
