Ruby babysat/nannied for my brothers and I (Duskys). I have nothing but fond memories of her caring for us, taking me to practices, and watching us play. I'm grateful we had such a positive, loving influence in our lives. I pray that you find comfort and peace during this difficult time.

Dear Patty and family, There are no words to express my support as you go through the loss of your Mom, so I will simply say I'm so sorry for your loss. Our family was truly blessed to have Ruby in our lives. I knew our children were in great hands while my husband and I worked and always knew with confidence they were all well cared for. Please know she touched many and created wonderful memories. Keeping you all in our prayers, Don and Cathy Dusky
