John was my husband Bob's roommate at the Phi Kappa Psi house at BGSU many years ago. He was a great friend to Bob and a wonderful brother to the fraternity. We were so blessed to have had him as a big part of our college experience. Though the years have flown by too quickly and we haven't kept in touch as much as we should, he has always been in our hearts. We send his family our deepest condolences for this great loss. A bright light has been added in heaven. Our hearts are heavy with his loss and our prayers are with him and his family.

John was married to our daughter for 19 years before she lost her battle with breast cancer in March, 2004. He loved and cared for her for those 19 years. We could not have had a more loving and caring son-in-law. They had two beautiful children-John and Katelyn. After Susan's passing he was left with the responsibility of caring for a 16 year old daughter and a 13 son. Today they are excellent example of John's guidance and loving direction as their father. His family always came first and he will be sadly missed by all who knew him. Clinton and Sara Hickman (Katelyn and John-John & grandparents)

I had the privilege of working at May Co. with this fine gentleman a number of years ago. I always asked about him whenever I ran into a mutual friend. I was thrilled to hear that John had remarried and was very happy. I would like to express my deepest condolences to John's family. The news of his passing has made me very sad today as I know that those whom John loved and who loved John are no doubt shocked by his sudden passing.
