Dave and Doug - I am so sorry for your loss. Your dad was a very special man. He always looked after me when we were in marching band. He always made sure I had what I needed before we left to go on any trip. The world lost a very special person. I am praying for you!

Sorry for your loss. I know how hard it is losing a parent and it is especially hard when both parents are gone. Just keep in mind he is in a better place and back with Aunt Anna. I'm sure Uncle Dave is happy to be reunited with all the other family members there. I'll keep all of you in my thoughts. Sorry I couldn't make it back.

David, Doug and families, I am so sorry for your loss. Your dad was a super guy. I could never have asked for better neighbors than in the old neighborhood. Sorry I will be unable to attend tonight or tomorrow I have company from out of town staying with me. I will keep you guys in my thoughts.
