Dear Chuck and family....I'm so very sad to learn of Bonnie's death.....but relieved she is finally at peace and without pain. We were cousins.....but not close because of my move 60 years ago from Elyria to Florida. Bonnie was a strong person. and did all she could to support breast cancer and lend support to others battling cancer.....rest in peace, dear Bonnie with your mom, Margie and dad, Theron and siblings.....Love you, Joyce

I was working on your eulogy this morning when I came across a voicemail of you singing happy birthday to me this past March. I will forever treasure you and the sound of your voice. You were a one of a kind role model of what a mother, wife, and friend should be. Love you forever and always Shelly
