**Jeffery Manton** posted:

I'm so sorry to hear of Pam's passing, especially a year after the fact. Pam was a good person, with a big heart. I'm very grateful for the time she took to visit my brother, Rich, in his last months of life. The last time that I saw her was at his funeral, just three months before she died, herself. RIP, Pam. The world is a little less special, without you in it.
