I am very saddened to hear of Bobby's passing. I have very fond memories of playing basketball with Bobby during our Junior High years at Northwood. I recently got an autograph from Pete Rose, only because Bobby and his Dad took me to a double header in Cincinnati to see Pete hit his 40th and 41st hit in a row, beating Ty Cobb's record. Our thoughts and prayers are with Bobby and his family.

I will always cherish our time together on and off the court. It was my pleasure watching you develop, from the first time you played against us older players thru your college career. I called you the ROOKIE from your first high school game til the day Patrick Ewing, one of the top 50 pro players ever swatted one of your shots away lol ! Rest in peace my friend! You will always be in my heart!

Bobby was my nephew and he could light-up a room with that smile of his. It is really difficult now to use the word 'was'. I will likely not be at the funeral, but in my heart I will be there to stand beside all those who knew him and loved him. And down the road to visit with them, and in time to stand beside his final resting place, and there, to say 'goodbye - for now'
