We remember the Joy, the good times - your Fla vacations with Mark & Jan, playing cards at the Voyager Beach Club till 2 am, Crabby Bill's Seafood and 4th Street Shrimp Store and more. We met Bill and Laurie through my high school friend Mark and Jan Ford at a weekend event they had hosted in Ohio. We all hit it off quickly and became fast friends. We had a week long vacation with them here in NH a year later where we strengthened our friendship. We felt we had known Bill and Laurie for years. Our hearts are broken and we are praying for Laurie, their children and grandchildren, family and long time friends. Bill will always hold a special place in our memories. Love and Peace our friend. Till we meet again.

Bill was a really good man. He cared about nature, camping, and people and was a joy to partner with as a member of Friends of Findley State Park. You will be missed Bill, but your legacy will live on forever! My thoughts and prayers are with the family at this difficult time.

Words cannot say how sorry I am to hear about Bill. I know that he was thoroughly enjoying retirement. I hope that Ms. Laura can find peace with her new normal and all of his loves ones do as well. You now have one more angel looking down upon you. Rest in Peace Mr. Bill. I'll have a good glass of wine for you! Rob and I send our love to you all!
