Rod to me was the Nicest, Non-judgmental person I know.. This world has a great shortage of people like him, Rod was not one to put other people down, never a trouble maker, just a very calming person to hang out with. He was always willing to help family, friends, or anyone should they just ask... Very quiet, and reserved, he was just a really "Cool Dude" Rod never asked much for himself, Just his pick-up truck that he could shine & clean, also his garage to organize & straighten. He went to work everyday, to provide for his family, and do the best he could. He was always home every night with his family, he loved them, and liked to be around them, that to me is priceless... Rod was my brother in law for 22 years, i wish we could have had more... I believe in my heart that "Rod Van Horner" is up in heaven, free from pain, and just hanging out... Love Always, Betsy
