Dear Josie, My three sisters and I met you in the neurology unit at UH when our dad was there at the same time as your husband. We are from Elyria too and we enjoyed speaking to you and learning a little bit about you and your family. We lost our dad while he was there in the unit at UH but we never forgot you. We want to say how very sorry we are for your loss. You shared how you had been through so much lately but you were clearly a strong woman of character and faith. We sincerely hope that strength carries you through these times and you will find peace and comfort knowing you are thought of and prayed for by four people you touched during our difficult times together. With memories of kindness and love, Lisa, Pam, Deb, Kim
