Even though we haven't seen each other in years ,You will always be close to the heart. We cousins aren't getting any younger. It's a shame we can't keep in touch like we used to. A lot of good memories of all our times together with family and friends. Wish I could be there to help send you off with the rest of the family, but health keeps me from traveling far right now. Tell all the brothers and sisters we miss them dearly.....
