I want to offer my deepest and sincerest condolences to the entire Smith family. I used to deliver papers to this wonderful family who was truly a blessing for me to have on the paper route. Earl, Donna and the girls were always a blast every time I used to collect or deliver the paper when they were outside. Donna was a spry woman and I loved her laughter and how she used to tease me back. There will always be the fondest of memories every time I think of her. It was such a pleasure to know her. May God bless the family during this difficult time. She truly was a sweetheart. I am sure she will be missed by all who knew her.
