With deep sorrow we send the Sakal family our deepest sympathy. Terri has been such a great mentor to me as she trained me in the seal business, always knowledgeable and helpful. She rarely missed a day and we loved her spinach dip. We will miss her great sense of humor and voicturees laugh. Rest in peace Terri.

I had the pleasure of getting to know Terri several years ago. Every year APG would send me to Ohio to help out with inventory and Terri and I usually teamed up and worked together. She was such a joy. I think we laughed more than we worked but somehow we always got the job done. She was a very smart, hardworking, beautiful woman and her customers and coworkers all loved her. She helped me out all the time even though I knew how busy she was...she always did it happily. I, like so many others, loved her and even though I didn't get to see her often...I will really miss her. Praying for healing and peace for her family and friends.
