To the family of Utron, our names are Erin & Savannah Denson. We wanted to take a moment and express our deepest sympathies to your family. Death is a difficult painful situation for everyone involved. Grief is a normal natural way of dealing with death and everyone grieves in their own way. Please take comfort in 1 Peter 5:7 that states, "throw all your anxiety on him, because he cares for you." So know that he does care for you and he is the "hearer of your prayers" (Psalms 65:2). Also, the bible tells us at Acts 24:15, "there will be a resurrection", so know that Utron, will be reunited with his wife Alice and be able to spend many more years of blissfulness together. According to Psalms 37:11, "the meek will possess the earth and find delight in the abundance of peace." So Utron and family will be reunited and be able to enjoy all the social gatherings, gardening, music, and life together. May you continue to throw your Anxieties to God and he continue to bless you and your family. Christian love, Erin & Savannah Denson (enjdenson@gmail.com)
