Uncle Don Words can never express how I feel losing you. You were the closet person I had to ever knowing my dad. You loved unconditionally. we always managed to find each other not being able to make it before you passed was hard. I came to Cleveland to say my goodbyes to my uncle whom I loved dearly. few years ago my son had the chance to meet his great uncle. for me that was so important, my son loved his uncle Don. He thought you were pretty cool, even when he schooled you. I remember the look on your face and when you said to my son your correct but that's how you felt. You respected my son's opinion. He still has the knives you have him along with the hat. Thank you for the photos and flag of my dads, but most importantly thank you for being my uncle. I will miss you with all my heart and love you just as much. Your loving niece Kathy
