My dear friend Phil. My condolences to you and your family. May you find enough strength in God to endure your moment of mourning. Mildred's children shall arise up, and call her blessed. As it is written in 2 Corinthians 5:8, "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord." May Mildred smile down on the legacy she leaves behind. "But they that wait on the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." Much Love

Phil ... Please accept my deepest sympathy in the passing of your mother. She was an outstanding example for you and your family to follow. As a high school class of 1974 member, we were blessed to have you as a member. Your family will be remembered in my prayers during this difficult time.

Millie and Eddie were pivotal individuals in my parents' lives. Ed introduced my dad to my mom and as they say, the rest is history. I remember Millie, her boys and daughter so very well. Millie and my mother went through nursing school together and remained the best of friends throughout their lives. My mother passed away in 2007, the same year as Ed. My dad passed away in 1991. I'm hoping they are all together now.
