Deepest sympathies to the Hales family for your loss. Everyone knows the wonderful way Flossie lived and loved. Many fond memories of working with Flossie were created while working at Hales during my high school and college years--still fresh after all these years. She was a blessing for all of us.

Dear Hales Family, What a lucky woman to have lived so long surrounded by so many that loved her in the community and her family. While I never met Flora, her spirit and goodness are reflected in those family members I know personally. May God bless her and those she is with now. Anne Abbott
