We at the OTA Program are saddened to hear about the passing of Carroll. We had heard about her struggles. I know she only practiced for a short time but we know she made a great COTA and it was an achievement for her to complete her dream of being a COTA. We always enjoyed having Carroll in class and supported her with personal struggles and professional achievements. We will miss her work ethic and delightful personality. Bryan, Donna and I share in your sorrow at this time of Carroll's passing. We extend our sincere sympathies to all of your family. This journey of life holds so many experiences and our time seems to pass so quickly. As Christians we all share in the hope of Christ great promise of eternal life through faith in Him. In a twinkling of an eye or so it will seem, we once again will be joined up with all of our loved ones who have gone on before us. May God bless each of you with the comfort and assurance of his Holy Spirit during this time. Much Love, Uncle John & Aunt Donna
