Diane & Family: So sorry to hear about Bernie. He fought a hard battle and one thing that can be said is: He never gave up or had a negative word to say about what he faced on a daily basis. He was an inspiration to those around him and I will not forget the emotional speech he gave at the benefit held in his honor in November. May you continue to have the strength and courage he had in the days ahead without him. God Bless and keep you all safe. Let me know if there's anything I can do. Jude Kellar
