I miss and love you so much Shelly. Your mother has made it impossible for me to bury our father because she wont give me his ashes. She put in the paper that I am your step brother. How crazy is that? There is nothing step about You and I, we are brother and sister. Same dad, different mom. Anyhow, I wish you were here Shelly. Love you. Your Brother Mike

Dear family of Shelly, I am so sorry for the loss of your loved one, so young, with much life yet ahead to live. You may wonder why? or if there is anything to look forward to? I wish to share comfort from the Bible. The wonderful future resurrection hope, is the promise found at John 5:28,29. Revelation 21:2,4 states that death will be no more and pain will be no more, the former things will have passed away". Our Creator, Jehovah God, by means of his son Jesus, is going to undo the tragedies that touch our lives today. I hope you will find comfort as you read the above texts in your Bible and know that there is hope for our loved ones who are asleep in death. There is much Bible-based comfort to be found on the website www.jw.org sincerely dianne mullins

Hey Shelly, I can remember so many fun times from when we were kids. Way back to 4th grade! Remember when we had to make that Switzerland 3d "thing" !! I think your mom did most of the work for us. Thanks Miss Penny. And when Mrs. Law told you to go to the bathroom and remove your make up and you kept coming back to class with it still on. She was so mad! Shelly I'm going to miss you and I will always remember you. Your super curly hair, pretty smile and soft spoken voice. (and your bell bottom jeans!!) God Bless you Shelly.
