I am at a loss for words; my heart is broken. I loved my cousin Johnny so very much. Many of my most cherished childhood memories include him. I always loved going to my Uncle John's and Aunt Pat's house. The endless long days of summer playing with my cousins. Johnny was always so full of life & creating new ways to have fun. Times were simpler then. They were the best of times. I will forever cherish my memories and hold them close to my heart. I love all of you. Know you are all in my prayers. I pray that God will wrap you in his arms and you may know the depth of His love. I pray that you will be given peace by the grace of God. He will carry you all thru. This is not the end. Yes Johnny left this earth, but his spirit lives on. He's on his next great adventure. And one day we will all meet with him. God has promised us all life eternal if we believe. John 3:16. May you find comfort in that promise during this time of great sorrow. With much love, cousin Marie and family

Its hard to find the correct words to express how sorry I am to hear of my beloved cousin Johnny's passing. I will never forget all the fun we had together growing up and playing hide-n-seek in the barn or softball on those weekend visits with mom and dad, that seems like another lifetime ago, one that went too fast. Johnny was one of my favorite cousins and forever will be loved and missed. Please find comfort knowing that he lives on in heaven with our Lord Jesus Christ and that one day we will all see him again. My thoughts and prayers are with all the family that the Lord wraps his loving arms around each of you to give you strength, comfort and peace in your hour of need. I love you all, Sue
