Ernest (Ernie) Harold Watts, age 90, passed away Sunday evening, August 26, 2012 surrounded by his loving family, at Kingston Assisted Living Residence of Vermilion, where he had been a resident since April 2012. Ernie's beloved wife of 62 years, Ruth E. Watts, survives him as does his daughter, Judy Beebe (Norm Kummerlen) of Lorain, grandson Michael Beebe (Carol Heinz) of Seattle, WA and great-granddaughter Ana Lucia Heinz, grandson David (Anya) Beebe of Denver, CO and great-granddaughters Briana and Ella Beebe; extended family Faith (Jason) Sines of FL, and Michelle (Geof) Kazmierczak of Elyria and great-granddaughter Jillian Kazmierczak. During his final tour with the U.S. Army, Ernie's first wife Betty (nee Sanner) Watts died during childbirth. When WWII ended, he came to Elyria to be with his infant daughter, Judy. He soon enrolled at Bowling Green University and in 1949 earned a Bachelors Degree in Secondary Education; In 1950 he married a fellow Elyria teacher, Ruth Kindig, who has been his devoted wife of 62 years. He continued his education at Western Reserve University, where he was awarded his masters degree in 1953. Ernie's teaching career in Elyria Public Schools began in 1949. After teaching social studies for several years at Elyria High School, he saw the need for high school students to study economics. During the summers, he went on to further his education at the University of Illinois, Ohio Northern, and Ohio University. In 1965 he pioneered an advanced course for high school seniors in the study of economics. Although he felt impassioned about the curriculum, he is most remembered for his deep caring for his students. Ernie retired in 1985 after 36 years of teaching. Later he was admitted to the Elyria Hall of Fame for his great contributions. His career continued in the Trust Department of the Lorain County Bank for an additional 11 years. Ernie with his wife Ruth was a 40+ year member of the Round Table Book Club and a 60+ year member at the First Congregational

I took Ernie's econ class as an EHS senior in 1974. Loved him. Loved his class. I learned so much from him. I think everyone in my class enjoyed him so very much. I wish my own sons could have taken a class with him. He'll be missed -- no doubt .

I will never forget Mr. Watt's good-natured teasing. He nicknamed me "Missy Mona" and "Mona Lisa," and I always pretended to be annoyed, but secretly loved it! He taught us to pay attention to current events and to understand our role in our country's economy, and he expected great things from us. He was a great teacher, and now he is home with the God that gifted him to students in Elyria. My condolences to his loved ones.

Like many students from EHS, I too have many fond memories of Mr. Watts. We will all remember his widgets and "violin" playing in class (1971-72 school year). I also remember later living on Miami Ave. and watching him walk by many evenings. He was truly a wonderful man. My sympathies to his family.

We was truly a great teacher and a great man. He saw more in us than we did in ourselves and that is a measure of an exceptional person. Thank you for believing in us.

Very few teachers make a difference in a student's life. Mr. Watts was on of these rare educators. I still remember TANSTAAFL! It was an honor to be in his classroom. Consider it a privilege to know that a little bit of his fingerprint is left in so many people's lives. I'm one of those EHS class of '78
