Dear Hecker Family, I am so sorry for your loss please accept my sincere condolences at this time. Something that I have found to be a great source of comfort are the thoughts expressed in the Bible at John 5:28,29 where we see that there is going to be a resurrection of those who have died. Also at Revelation 21:4 we see that God is going to eliminate all of the causes for why we deal with sorrow,pain and even death itself. it is my sincere hope that these thoughts bring your family comfort at this time. Once again I am so sorry for your loss.

I only had the honor to know Rosie for a few short months..but it felt like I knew her for years. She won my heart forever and I will never forget her. Her smile, her laugh and her strength made me look forward to go into work each day to be with her! I only wish I could have done more for her. She endured so much in such a short time and I take peace that she is free from her body that caused her so much pain. Heaven received an angel and the rest of us are better people for having her in our lives. Rest in Peace my friend-you will be in my heart forever!!
