Am so very sorry for your loss. Just got back in town and heard about Mike today. He will be missed. I enjoyed watching the girls grow as Mike always had pictures to show of their latest activities. He dearly enjoyed them and was so proud of them. Had the opportunity to meet Paige when Mike brought her over. Have many, many fond memories of Mike at NORC, fish fries, and get togethers here at my house. He was a very special man. My deepest sympathy, Nancy

We're going to miss you Mike! Really enjoyed your friendship. It was a pleasure doing work on your home for many years! One of the most things I'll cherish most, is the times we sat and talked about fishing! My heart goes out to the family!
