Jay.. I am so sorry I wasn't there to say goodbye to you. I was struggling so much when you went home. I last saw you at my dads funeral and you helped me get through that tough time. You and I was best friends for a lot of years before you moved to Grafton. I think about you all the time, you were my dearest friend. I will always miss you more than words can say. Wish I knew where you are resting so I could come visit you. Im sure you got a 1g DSM on the golden dragstrip in heaven. Hold a spot for me in the pits. Love you man

Dear family of Jeremy, I am sorry for the loss of your loved one Jeremy, so young, with his whole life ahead. I wish to share with you comfort from the scriptures.. The Bible holds out a wonderful hope for our loved ones who have fallen asleep in death. Please read John 5:28,29 in your Bible. Another wonderful future promise is found at Revelation 21:3,4 where it states that , pain and death will be no more. The former things will have passed away. As you read these texts in your own Bible, may they be of comfort to you. Sincerely Dianne Mullins
