Kip and I were "Cyber" friends from our involvement in trading futures, we had never met in person, but had many long conversations about our mutual interest in music, guitars, trading and life...Kip was a gentle soul who touched everyone he came in contact with. He was the best friend I never met.. My heart goes out to all of Kip's family, God Bless, and I welcome any communication at [systems@bluewavetrading.com](mailto:systems@bluewavetrading.com)
