I knew Stan from my many trips up to the lake on fishing trips with Dave. Stan was always smiling when I walked in and was full of questions on where we were going to fish. Stan was a believer in going to Canada waters - no matter where the fish were biting - GO TO Canada... I remember one day when he went with us and we went further and further out and all Stan would say is.. just a little further, they will biting... just a little further... Needless to say, I was buying a Canadian 1-day license... We still didn't catch anything! I will miss Stan. He was a true gentleman and was always generous in welcoming you to his home... Stan, GOD has you now and I am sure the fishing is quite good...

Another of our heroes from the "Greatest Generation" has passed from our midst. May God ease the grieving of his family, especially wife Geraldine and children. Their loss is significant and will be felt for a lifetime. America has so much to be thankful for from these heroes that walked with us. Stanley now walks with Angels and more so, with God. Our sincerest condolences and sympathies to the family. Our prayers are for your healing through the grace and power of our Lord God and Savior, Jesus Christ. Sincerely, Richard & Constance Bradner
