The Stadnik family has been in my life for almost 50 years when I moved to Garfield Hts on Rockwood Blvd and my house was 3 doors down from their family home. Many happy moments happened on that street as the two families slowly merged together and my sister Pat and Bryan met and eventually married. As time continues and nothing is guaranteed but change itself we have all laughed, cried, celebrated the good times and hung together during the difficult times. Please know that Ron is now in the hands of peace and I bet he is smiling with those Stadnik eyes and watching over his family as they get through the days ahead. Ron will be missed but his legacy will continue on. RIP Ron and god bless those left behind.

Ron was one of a kind. He was my first friend in Freshman year at St. Stan's. He was brilliant and talented and possessed a wild and wonderful sense of humor. And he had those mischievous blue eyes!! We remained good friends all these years and he will be deeply missed. I will treasure all my great and sometimes outrageous memories of Ron. Our prayers and love are with Georgene, his children and family. Lynda and Bob Frechette
