Tricia - My heart breaks to hear of Nick's passing. Although I never got to meet him in person, I was able to chat with Nick on several occasions including right after my Dad (Bill Skura) passed away. He was so kind and gentle. I am sure my Dad was there waiting for Nick and the two of them are catching up on everything they missed. That thought alone warms my heart and brings a smile to my face. Keeping you in our prayers during this difficult time.
