I was privileged to have worked with Carl in the lab and have the opportunity to learn from him from 2001 until he retired. It was an honor to consider him a friend after he had retired. Just about every time I saw him or talked with him on the phone, I would be greeted with a booming AC!!!. Definitely one of the most genuine people I knew. Heartfelt condolences to Billie and the rest of the family.

I met Mr. Carl 4 years ago. He made me feel welcome and Ms. Billie in their home. He love watching golf, movies and talk about his lottery. I love when he calls my name and before Erik and I got married he told me and will never forget that he told me Joanne welcome to our family and made me feel special. I knew in my heart that he loves me because Erik(his son) and I are good for each other. He saw all the great changes on us and he always supported us and when he calls Erik he always say hi to Joanne and Erik will tell Mr. Carl (Dad your on the speaker and she can hear you)Lo!Mr. Carl thank you for the great 4 years knowing you and sorry we didn't have time to cook your fish and eggrolls. I am honored and blessed to be part of your life. Will definitely miss you.?Joanne
