To my Beautiful Niece, Mallory. I can't even believe this has happened. Where do I begin to tell you how much we will miss you. I do want to apologize for not being in your life for the last 5 years and losing contact, I wish things were different. When looking back on memories, Kings Island and Gatlinburg cross my mind, all the fun we had. I also remember you and your mom coming to see Jimmy Jr, when he was born at Southwest Hospital. I can only believe that God has a higher purpose for you, and that you are with Grandma and Grandpa now. We will never forget you Mal. We love and miss you deeply and are so saddened by your unexpected passing. You were way too young to pass at 32, with such a promising future, for the exceptional woman you were, but there is only one God, and He alone makes these decisions. I know We have memories, but it will never be the same, I still remember when you and your Mom brought the Yellow Mustang over Grandma and Grandpas, What a beautiful car, . I am sure that We will meet again someday. You will always be in our thoughts and prayers. We miss you and love you so much. Rest in peace Mallory. Love Aunt Bonnie, Uncle Jimmy, Jimmy Jr. and Matt
