I met Ronald when I attended Elyria West and spent my study halls working with special needs kids at West Wood and Elyria West. I would eat lunch with him and help him with his lunch . Most days we would laugh and joke and chocolate milk would end up coming from his nose lol I enjoyed spending time with him and the other students . To my surprise years later when I got married one of the teachers brought him to my wedding . I was glad to see him happy and he took the time to attend . I was lucky to know him and spend time with. Rest in peace my friend. Andy Plas
