Was saddened to hear the news of Ashley's passing. I remember with great fondness her energetic zest for life and love if activities when she was enrolled in our preschool classroom at Lorain County Rehabilitation Center,Amherst. She was such a sweet child and mom was right there for her during those early years as was Dad and big brother,sadly gone now. It has been several years since I saw you working in the Elyria schools and even then I heard your love proclaimed. You and your family,grandparents,aunts,uncles and all are in my prayers. I will always remember Ashley cheering at the high school football games as I marched down the track, on the field and at the parades. I will always remember the family gatherings when you would dance your booty off. Singing on the karaoke. Your laugh will never be forgotten. Your smile will never be forgotten. Your sweet caring heart of gold will always be remembered. Love, Steph
