Jack was such a beautiful soul, inside and out. Every time I would bring my car to Jason Automotive, I would always stay until my car was repaired. I would enjoy the stories and jokes he would tell. We would have some interesting conversations. Jack would make you feel at home, when you came to Jason's. When I called to make an appointment on the 15th of February. Someone else answered the phone. I asked about Jack, I was told that Jack had passed away, yesterday. I was devastated. Jack had a wonderful personality. He will sorely be missed. My prayers and thoughts are with Jack's Family. Rest in Peace Jack!

So sorry for your loss. I will always remember Jacky's bright smile, enthusiastic spirit, and big hugs. Recently I shared a memory with friends of Jacky when we were in high school: we would hug whenever we saw each other in the hall and the hall monitor (Mousey) would send us to the office for PDA. We would just laugh because the assistant principal would shake her head, smile, and send us off to class. Ironically (or perhaps not) I shared that memory on the day he passed away. ãĥı, Judy

You were and will always be the best grandpa and friend. You will be forever be in my memory as the only person who ever gave two shits but also held people accountable for their actions. Giving a hand up and not a hand out and letting people know only they can change their own direction in life. Life gets busy people grow apart but not one minute of one day goes u forgotten or unappreciated! I will remember you loving with all you had and your smile, Laughter and kind warm heart at it was appreciated. God speed Jack. All my love to the entire Martincic family, I hope you find peace in his memory. Find comfort in how much he affected the lives he touched.
