She was my MawMaw. The person I looked up to most, the person I learned the most from, and my best friend. I have never ever loved someone more than I loved my Grandma. She was such a kind hearted loving woman. She taught my cousins and I to be kind, strong, loving, forgiving, and just how to be a good person. I will never forget your contagious laugh, your warm smile, or you. You will forever be in my heart, and everyone I love will know who you are.

I have been friends with DeeDot for 47 years. She was a true blessing. She helped friends and family members every chance she got. She had the most BEAUTIFUL talent for crafts and worked at it all the time. She kept a beautiful, warm and inviting home. I could walk in anytime and was always welcome. She raised 3 AMAZING children and had a loving husband for 37 years. Donna, you will be missed and I don't know what I will do when hunting season comes and I have nobody to visit. I will always be grateful you are one of my two BESTIES in life. Catch up with Ronnie Dean and give him a hug for me.
